

East Peak Industrial Heritage Support Programme

A community-based heritage programme supporting the long-term future of Industrial Heritage in the East Peak LEADER area.

Offering training and advice to local groups involved with Industrial Heritage

Developing a range of new community projects to improve understanding and interpretation of Industrial Heritage sites throughout the East Peak

For more information about the programme, or to find out how you can get involved, contact Tegwen Roberts

Tel: 01226 767365

E-mail: tegwen@epip.org.uk

This project is co-funded by LEADER and English Heritage

Supported in partnership by:
